Jackie Hill Perry

Jackie Hill Perry is a writer, speaker, and artist whose work has been featured by *The Washington Times*, The 700 Club, Desiring God, The Gospel Coalition, and other publications. Since coming to know Christ at the age of 19, Jackie has been compelled to share the light of gospel truth through teaching, writing, poetry, and music as authentically as she can. She is signed to Humble Beast Records and released her debut album *The Art of Joy* in 2014 and her latest album, *Crescendo,* in 2018. At home, she is known as wife to Preston and mommy to Eden and Autumn.

I am astonished that you are so quickly deserting him who called you in the grace of Christ and are turning to a different gospel—not that there is another one, but there are some who trouble you and want to distort the gospel of Christ.

—GALATIANS 1:6–7

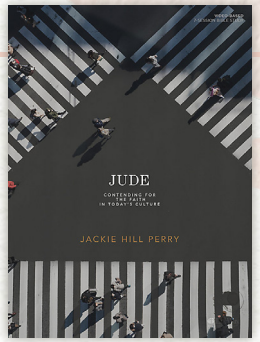
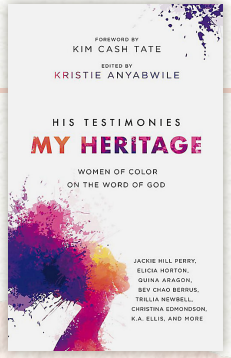
Gay Girl, Good God

Author Jackie Hill Perry shares her own story. After growing up fatherless, she embraced masculinity and homosexuality. Then when she was 19, God broke in with the gospel, turned her heart toward him, and she was made new.



Jude

God has commanded His beloved church to do the necessary work of contending for the faith in a world of unbelief. This 7-session study dives into themes of being called, loved, and kept, and how to point others to Jesus in grace and truth.



His Testimonies, My Heritage

This inspiring collection of devotions is a faithful exposition of Psalm 119 by a diverse group of women of color. It incorporates each contributor's cultural expression both within the teaching and as they bring the word of God to bear on their lives.

infant/child policy

We love children and believe each one is a gift from the Lord. We also believe God wants us to focus our hearts on him during the conference. In an effort to help you and others fully enter in and participate in the conference, we ask that mothers arrange to have children cared for at home during this focused time away.

We do, however, welcome mothers with nursing infants who are not able to make other arrangements. To minimize distractions, we ask that babies not be brought into the Sanctuary, but we do our best to provide pleasant and comfortable alternate accommodations. Space is limited, so if you would like to reserve nursing mothers accommodations, please select that option when you register. You will be contacted to confirm availability.
